

Personnel Recovery Across the Spectrum of Conflict

**Col David S. Janik
502 Air Operations
Squadron/CC**

Overview

- **Our Priority**
- **Joint Mission Force**
- **Train and Equip**

PR Operation Priorities

“We must continue to burn the midnight oil and ensure that we develop flexible plans and robust capabilities, and equip our forces with the latest and best available technology to enable them to deal with any threat and handle any contingency and that we practice, practice, practice...”

**Adm Dennis C. Blair, USCINCPAC
USPACOM PR Conference 18 May 00**

Joint Mission Force Premise

- **JTF operations in Theater today are not “broken”**
- **...but they can be executed more effectively, more rapidly, and more efficiently.**

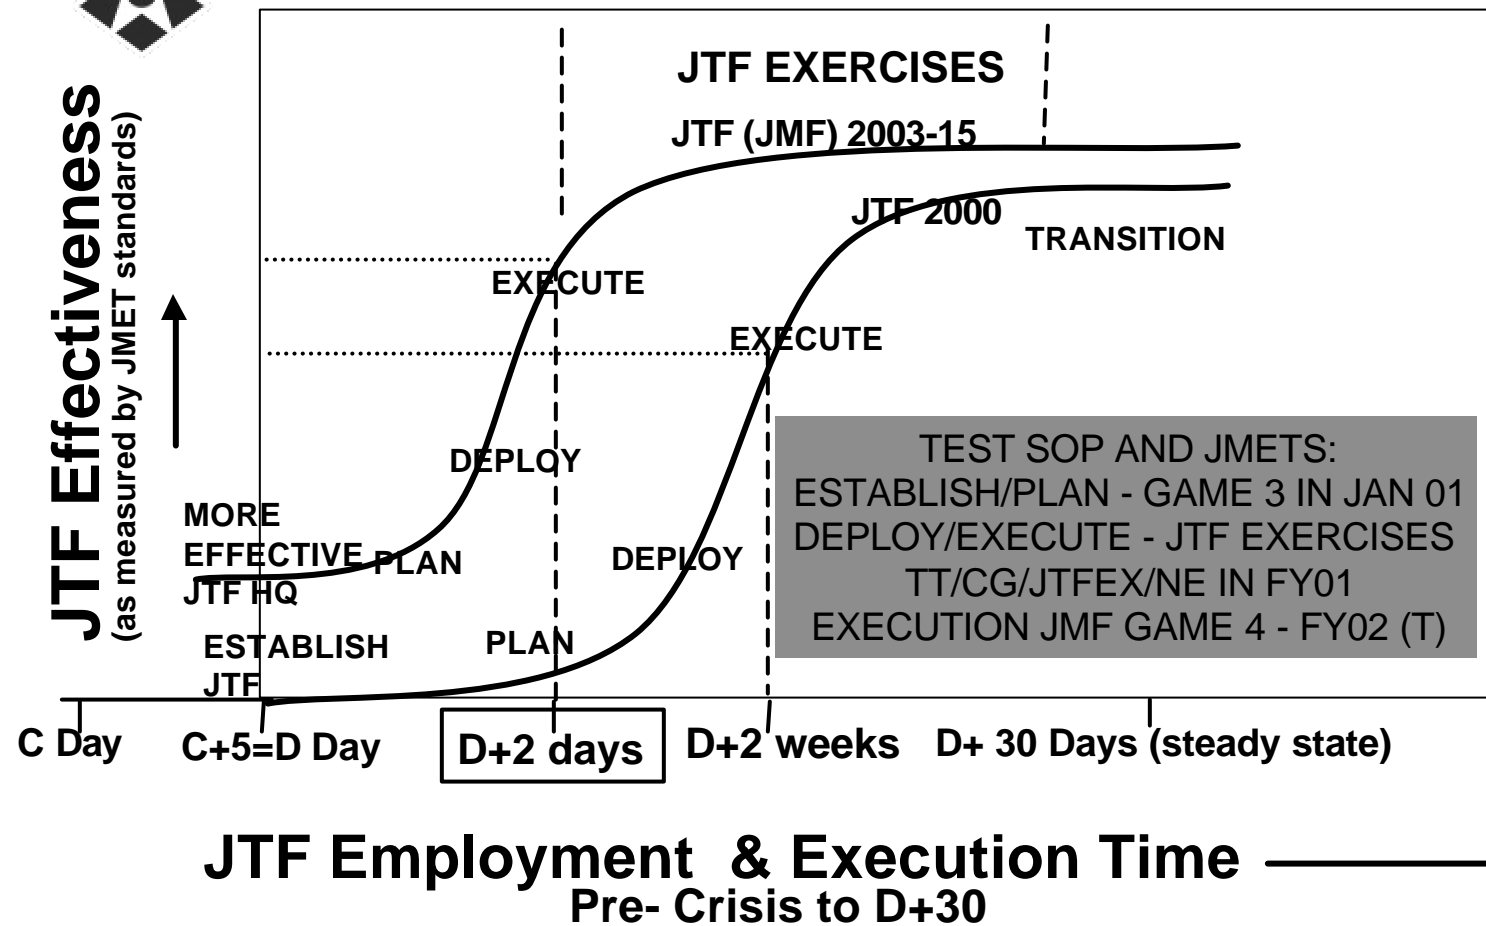

Extracts From CINCPAC JMF Guidance...

- **DESIGN A SEAMLESS JOINT/COMBINED PACIFIC THEATER RESPONSE FORCE CAPABLE OF EXCEPTIONAL FLEXIBILITY**
 - Do simultaneous missions faster, quicker, more efficiently and with a greater chance of success
 - Do not address Major Theater War
 - This force will accomplish 90% of the expected missions in our theater
- **GET OUT OF LINES AND COMPONENTS:**
 - Think how flexibly we can operate
- **ACHIEVE SPECIFIC ADVANCES IN SPEED OF REACTION, COMMAND, DECISION MAKING...AND DEVELOP THE IDEAL OF QUICKLY FINISHING THE BATTLE**
 - Preserve the rigor of iterative COA planning with more speed
- **START NOW AND ACHIEVE IMPLEMENTATION BY FY2003**

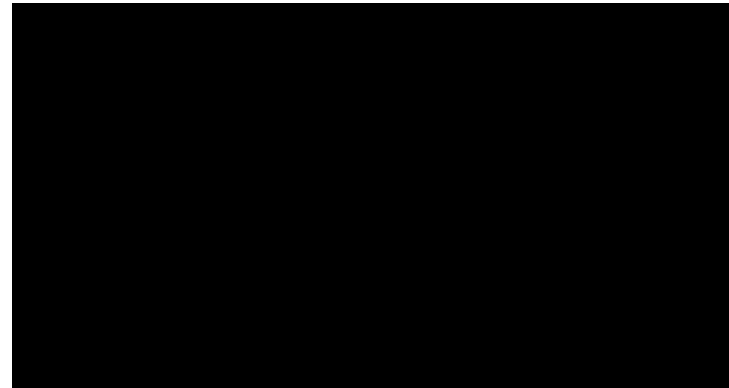

JMF OBJECTIVE

“Core” JMF Missions

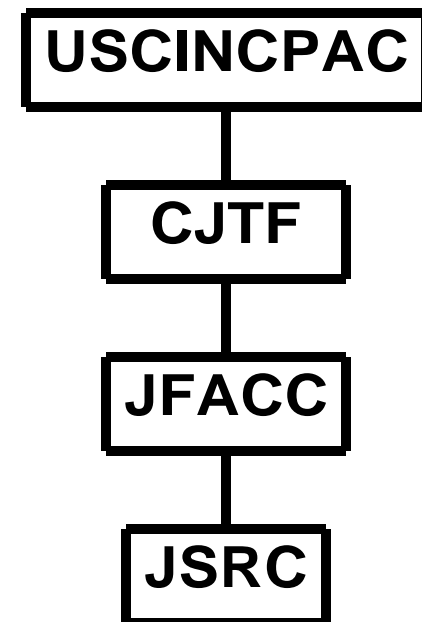

- **Execute Theater Engagement Program**
- **CSAR**
- **Humanitarian Assistance / Disaster Relief**
- **NEO (Permissive/Non-Permissive)**
- **Peace Keeping / Enforcement**
- **Sea Lanes Of Communication Protection**
- **Deterrence Operations**
- **Information Operations / IW / IA**
- **Strike Operations**
- **Initial Entry Force**

USPACOM's JSRC

- PAC RCC forms Core JSRC
- Augments JTF cell
- Part of Joint Air Ops Center
- Augmented by components
- Self contained capability

PACAF PR ASSETS

- 33 RQS
- Only Theater with Dedicated Active Duty PR Assets
- Provides conventional rescue capability for US forces in Japan and Korea
- Limited by tanker support and airlift
